Volunteer Achievements - Teaching Awards !

Well done to Jess F for completing her level 2 teaching certificate during February !

Well done to Ella for completing her level 1 teaching award during February !

Good luck to Jess S, & Robert who will be completing their aquatic helper workshops in May 2016.

Parents - Hygiene Overshoes

'Places for people leisure' have asked us to ensure that parents and other spectators wear the blue over shoes provided when on the poolside. If the containers are empty on a Wednesday evening, then do speak to one of us and we will speak to the lifeguards to bring some more out to fill up the containers.

Swimming at Weekends

Please remember to take your children swimming at weekends to give them a good chance of developing their strokes and skills for their tests. A swimming lesson once a week is often simply not enough for your child to learn to swim and be confident in the water.

Full details on the STA Learn to swim scheme can be found on our website so you know what criteria your child needs to be confident at for their swimming tests.

Key Dates for this term

- 13th April 2016 - Summer term begins
- 1st June 2016 - Half Term - lessons as usual
- 6th July 2016 - 1st Test Night
- 13th July 2016 - 2nd Test Night

Swimmers - Please Note

Each week all pupils should use the toilet, blow their nose and shower before entering the water. Parents of younger swimmers should ensure their children carry out these three actions before their swimming lesson.

Supervision on the Poolside / Changing Rooms

While our teachers are responsible for your children during their swimming lesson, we do ask for your help supervising your children before and after their lesson in the changing rooms and out on the poolside. If you do come across any children misbehaving then do come and inform Linda or Lesley who will deal with it appropriately with the children concerned.

We are not responsible for your children before and after their swimming lesson on poolside or within the changing rooms. This is why all parents must remain on site while your children are in their

Online Questionnaire for Parents

We would love to get your feedback on how we are running the club and on your child's swimming lesson this term. There is an online questionnaire available on the website. Please do take a couple of minutes to let us know your thoughts. Your feedback is appreciated and we welcome

6pm Swimmers - Please note

Each week we are really busy especially at 6pm. It is really important for 6pm swimmers to queue down the corridor prior to 6pm to avoid congestion and noise on the poolside. When we invite parents and swimmers on to poolside at 6pm, please help us by sending your child around the pool to find their class teacher.
