Parents - Hygiene Overshoes

'Places for people leisure' have asked us to ensure that parents and other spectators wear the blue over shoes provided when on the poolside. If the containers are empty on a Wednesday evening, then do speak to one of us and we will speak to the lifeguards to bring some more out to fill up the containers.

Volunteer Christmas Social

Our volunteers enjoyed their end of term Christmas Social at Frankie and Benny's before Christmas. Thank you to all volunteers for being involved and teaching so many children to learn to swim. (Pictures on the right)

All Swimmers - Please note

We now operate a 5 minute delay at 6pm so assist the lifeguards in preparing the pool for our club after the centres own swimming lessons have finished. One long blast on the whistle to indicate change over will be used at 6:35pm, 7:05pm & 7:35pm. Please ensure your children arrive 5 minutes before so they are ready for the start of their lesson. 6pm Swimmers will need to queue down the corridor to ease the congestion on the poolside before we take over. When we invite parents and swimmers on to poolside at 6pm, please help us by sending your child around the pool to find their class teacher.

Key Dates for this term

Swimmers - Please Note

Each week all pupils should use the toilet, blow their nose and shower before entering the water. Parents of younger swimmers should ensure their children carry out these three actions before their swimming lesson.

Supervision on the Poolside / Changing Rooms

While our teachers are responsible for your children during their swimming lesson, we do ask for your help supervising your children before and after their lesson in the changing rooms and out on the poolside. If you do come across any children misbehaving then do come and inform Linda or Lesley who will deal with it appropriately with the children concerned.

We are not responsible for your children before and after their swimming lesson on poolside or within the changing rooms. All parents must remain on site while your children are in their swimming lesson.

Extra Clothing Required

Swimmers in Angelfish 2 and above are required to wear additional clothing for their lessons and their tests. Please check on the website as it is important your child gets practice wearing additional clothes while swimming in their lessons.

Facebook Reminder

As well as our website, our club also has a Facebook page. We use this to publish information and changes to our club calendar and in the unlikely event of any pool closers. 'Like' us today to keep yourself informed on our club news.

Changing rooms / lockers

Please ensure that your children are using the lockers provided and not leaving their belongings out on the benches. With 30-40 swimmers at each session there is not room to leave belongings out unattended.

Water Safety Questions

Each Octopus and Goldfish class will be asked two water safety questions as part of their swimming lessons and their test. You can lookup these questions to teach your child at home by looking on our website.

Swimming at Weekends

Please remember to take your children swimming at weekends to give them a good chance of developing their strokes and skills for their tests. A swimming lesson once a week is often simply not enough for your child to learn to swim and be confident in the later.

STA Partnership with the Scout Association

The STA have teamed up with the Scouts to support their five staged swimmer badges. If your child is in cubs or scouts and they would like to achieve these badges *then do come and speak to us and we will check your child's progress and hopefully sign your child's badge book.*

Across:

6. Even the most confident swimmers can face in water.
7. Lifeguards usually wear t-shirts.

Down:

1. If you see someone in difficulty, don't get in or go near the You might get into difficulty yourself.
2. If you see someone in difficulty in a swimming pool, call the lifeguard or another who will be able to help.
3. These tell you what to do and what not to do.
4. Always obey pool
5. This coloured flag means the water is calm. This doesn't make the water safe, you must still be careful and look for areas where a lifeguard is present.
